

Your new CIR contract offers several commuting options, with an eye to cost, convenience, flexibility, maximum access & safety

Parking Option	Description	Cost	How to Use	Where to Use
Parking Pre-tax Payroll Deduction *see other side of this flyer for chart on when to buy month-to-month vs. payroll deduction	<p>The cheapest, most convenient, most flexible choice, and it offers maximum parking access. The parking fee is deducted pre-tax from your paycheck, saving you money!</p> <p>The other upside of this option is convenience, no more arriving at the garage at 6:00 am only to find you can't get in because you forgot to purchase parking!</p>	<p>Monthly parking by payroll deduction is \$70/month</p> <p>This fee is pre-tax, which effectively reduces the cost to just under \$50/month.</p>	<p>Sign up at the parking office.</p> <p><i>Parking deductions will continue until you un-enroll yourself by going to the Parking Office.</i></p> <p><i>You may sign up or un-enroll at any time.</i></p>	<p>This parking option gives you access to the</p> <p>610 Albany Garage Monday – Friday &</p> <p>710 Albany Garage after 5 pm Monday – Friday and 24 hours Saturday, Sunday and holidays</p>
Parking by the Month or 2 Week Blocks	<p>A reasonable alternative IF you are going to be away for several months of the year. This option offers the same maximum access described above.</p>	<p>On January 1, 2007, the 'Park by the Month' rate will be \$35 for a 2-week block and \$70 for a 4-week block.</p>	<p>You are not bound to the calendar month (e.g. you could pay for July 15-August 15 or July 1 – July 15).</p>	<p>This parking option gives you access to the</p> <p>610 Albany Garage Monday – Friday &</p> <p>710 Albany Garage after 5 pm Monday – Friday and 24 hours Saturday, Sunday and holidays</p>
Occasional Parking	<p>Meant for house officers who are on an away rotation. "Occasional" parking is defined as no more than 1-2 times per week.</p> <p>DO NOT use this option if you are parking more than two times per week – it is neither cost effective nor permissible.</p>	<p>Packet of 12 Occasional Parking Tickets are \$70.00.</p> <p><i>(There is a limit of 4 subsidized packets per year – no one should need to buy more than this. If you are buying more than 4 packets, you should switch to another form of parking- it will be cheaper!)</i></p>	<p>Park in the 710 Albany Garage, take parking ticket, put orange sticker on ticket and give to cashier before you leave to have your ticket validated.</p>	<p>The tickets are good for the 710 Albany Garage only.</p>
Night Float Parking	<p>Available for residents on a night float rotation, who would otherwise not be driving to BMC. See your Chief Resident for the special, yellow night float stickers.</p>	<p>Free</p>	<p>Park in the 710 Albany Garage, take parking ticket, put yellow sticker on ticket and give to cashier before you leave to have ticket validated.</p> <p>Can park between 3:00 p.m. and 8:30 a.m. If running late, call Garage!</p>	<p>The tickets are good for the 710 Albany Garage only.</p>
