

About the Consortium

The New York City Child Care Resource & Referral (NYC CCR&R) Consortium actively works to improve and increase access to a range of early learning programs including child care, Head Start and Pre-K. Focused on improving the quality of child care services available, the NYC CCR&R Consortium provides a range of trainings, technical assistance, and professional development opportunities for child care programs and providers.

The Consortium offers free and low-cost services, including consultations and referrals for families to support them in making the appropriate choice for their children from birth through school age.

Committed to ensuring that New York City children receive the best possible early childhood experience available, the NYC CCR&R Consortium is working to meet your needs.
