VOLUNTARY HOSPITALS HOUSE STAFF BENEFITS PLAN & HOUSE STAFF BENEFITS PLAN

Dear House Staff Officers,

I am pleased to invite you to a webinar on June 1, 2022 at 6 PM EST that's been designed to help our residents and fellows understand how well their incomes will be protected by a future employer in the event of an accident or illness. While the majority of employers include long term disability insurance in their benefit package, the terms of coverage can vary greatly and you could be left without an adequate amount of ongoing income to meet your financial obligations.

This information will be presented by representatives of the InsMed Insurance Agency, Inc., the organization we've selected as the exclusive provider of the CIR "guaranteed issue" long term disability program. During this session you will be given information the specific areas of coverage you should examine and how these provisions may impact your financial well-being. Examples of these topics can be found in the attached document.

If you are interested in attending this lecture, please [register by clicking here](#). If you are unable to attend and wish to obtain information about the portable disability insurance program offered to our residents and fellows [please click here](#).

I hope you take the time to learn more about this very important type of insurance coverage. Please do not hesitate to contact the Benefits office at 212-356-8180, if you have any questions or concerns about this event.

Sincerely,

CIR Benefits Office
